

In re Application of BJØRNER et al.
Serial No. 10/733,459

REMARKS

Claims 17-23 have been amended to correct an error and instead recite that they depend on a computer-readable medium claim (rather than a method claim). Entry of the preliminary amendment and a timely examination on the merits is respectfully requested. If in the opinion of the Examiner a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney at (425) 836-3030.

Respectfully submitted,
